Congratulations to Rio Salado Dental Hygiene students for taking first place in CADHA's food drive for the Salvation Army. Rio Salado dental hygiene students collected almost 300 pounds for the food drive, dental hygiene students at Phoenix College collected over 100 pounds and CADHA collected an additional 80 pounds. Thank you all for participating and everything you do to support those in need.

Students from Phoenix College had a great year in 2017. 2017 was a busy year for Phoenix College's SADHA chapter, filled with advocacy, growth, and community service. Several SADHA students also had the opportunity to make it a year of adventures and discovery.
