## FEBRUARY MORNING MEETING

**Date:** Saturday, February 8, 2020. **MORNING SESSION ONLY**

**Place:** Hilton Garden Inn, 6575 S. Country Club Road, Tucson, AZ.

**Topic:** “The Dental Hygienists Role in Risk Based Periodontal Therapy”

**Description:** *Working with periodontal patients to achieve optimal outcomes can be one of our biggest clinical challenges. Advances in research indicate that the successful prevention and treatment of periodontal disease hinges on assessing and managing the factors that increase the patients’ risk for periodontal disease and it’s progression. This course will review the factors that increase the risk for periodontal disease and help you create talking points for greater treatment acceptance.*

**Objectives:**

- Understand the role of the new AAP staging and grading classification system
- Evaluate the research/guidelines on periodontal debridement/SRP/periodontal maintenance
- Develop key strategies and messages for motivating patients to accept treatment
