When do elections take place for your component leaders? **November**

Current number of active members: **128 members from report as of September 2020.**

Has there been any significant changes from last year? **Decrease of 14 members since the report in September 2019.**

How does the component communicate with members and how often? **Facebook, email, Spring and Fall Newsletter. Currently 509 FB followers and we post updates as activities present themselves.**

How often does the leadership of the component meet with the members for business meetings? **Normally 3 business meetings and 1 planning meeting. Due to pandemic we have not had a physical meeting since February 2020. We have had 1 Zoom planning meeting on July 18, and a scheduled Zoom meeting for October 11. We hope to plan our end of year social and induction of Board Officers for November or December 2020.**

How are funds raised to support your component? Briefly explain what fundraising activities occur and how often. **Yes, we have fundraising items which were sold at our Ce meeting. This year we had two CE fundraisers in February and September. Due to the September meeting being virtual we were only able to sell raffle tickets for a dental stool raffle item.**

How many continuing education programs were provided by your component this past year? **3 - CPR in January, all day Saturday Meeting in February, and Virtual CE in September.**

List any community service projects or activities your component sponsored: **None this year. We made donations to Flying Samaritans, and PCC students. We will donate to "Give Kids a Smile" program for February 2021.**

Does your component interact with students in any specific dental hygiene program? If so, briefly explain. **PCC students were able to attend our CE (when we had physical CE's) and sell snacks and raffle items for their school fundraising effort. We award a Pima Community College Dental Hygiene graduate an annual paid ADHA dues for 1 full year. We provide food and goodie bags to students during clinical exams/board exams. Gift a SADHA Ce binder/flash drive to graduating class of PCC students.**

What concerns, if any, are shared by your component leaders? **How to move forward with offering CE's, how to reach out to community service projects and figure out what to offer our Members so we do not continue to decline in our numbers.**

What concerns, if any, are expressed by your component members? **Not aware of any concerns.**
