presentations for a total of 3 hours

## **MARCH AFTERNOON MEETING**

**Date:** Saturday, March 12, 2022 **AFTERNOON SESSION ONLY**

**Place:** Hilton Garden Inn Tucson Airport, 6575 S. Country Club Road, Tucson, AZ.

### **Topic #1: Every Conversation Counts: Optimal Patient Health-365 Days per Year**

**Description:** *Dental Professionals have always known how critical oral health is to overall health. Finally, dentistry is moving towards optimal care! Diagnosis and treatment planning are key elements to maintaining or improving patients' health. This program will enhance clinical conversations and offer solutions for the remaining 300+ days of the year. (1.5 hrs long)*

#### **Objectives:**

- Participants will be able to discuss the value of clinical conversations that motivate patients to take action of their health goals.
- Identifying home care solutions with technology that reinforces patient education will also be reviewed.

### **Topic #2: In Pursuit of Health: Take the Journey**

**Description:** *Research has clearly demonstrated the connection between the mouth and the body. Dental professionals are faced with tremendous challenges when communicating the oral-systemic link. With so many patients and so little time, conducting comprehensive assessments and customized treatment protocols can be challenging. This course will assist dental professionals to overcome those challenges and familiarize them with tools that will effectively communicate a patient's oral and overall health status. Additionally, it will provide evidence based treatment strategies for successful clinical outcomes. (1.5hrs long)*

#### **Objectives:**

- Implement resources and tools for routine comprehensive patient
- Customize a treatment plan based on the patient's individual level of risk for disease
- Exemplify a pathway to wellness with education about the inflammatory process
- Incorporate solution based products to improve oral and overall health
