A COMMITMENT TO COLLABORATIVE CARE
"70 YEARS OF EXCELLENCE IN CONTINUING EDUCATION"

TRICIA OSUNA, RDH, BSDH, FAADH

Tricia Osuna, BSDH, RDH, FAADH is a University of Southern California graduate, Past President of the American Academy of Dental Hygiene and California Dental Hygienists' Association. Tricia is in her 44th year as a dental hygienist, with many of those as a clinician. She shares her experiences with her audiences in a humorous and enlightening presentation experience. Ms. Osuna is a lifelong CDHA/ ADHA member and a previous Member of the Dental Board of California. She is a Founding Member of the American Board of Facial Esthetics. Licensed in both California and New York, her experiences traverse the dental hygiene arena in a unique way spanning a variety of roles including Consultant, Clinician, Educator, International Presenter, Author, Mentor as well as owner of Professional Insights, Inc. Sponsored by Kerr.

ROBERT LEVINE, DDS

Dr. Levine, President of Global Laser Oral Health (GLOH), has been in the field of dentistry since 1973 and graduated from NY University. Dr. Levine has 18 years of experience in the laser arena, both in academic and private practice. He is also the co-developer of the first accepted laser curriculum at an accredited US Dental School. Dr. Levine is presently the Director of Laser Dentistry at the Arizona School of Dentistry & Oral Health (ASDOH), where he provides clinical hands-on training to students and post-graduate residents. He also works heavily in the Special Care Dentistry arena where he applies his skill and use of technology to this special group of patients. Dr. Levine sees the need for introducing to the dental profession a comprehensive pathway to laser technologies. As president of GLOH, he has a series of training programs for lasers and helps dentists understand the potential benefits for their patients and practice. Sponsored by Curaden.

ART McOMBER

A 14 year veteran of the FBI, Art McOmber successfully transitioned into the world of business, and has become a seasoned executive who specializes in helping people of all backgrounds achieve maximum health through great nutrition with his company Epic Life Inc. In 2013 Mr. McOmber began working with Legally Mine to promote asset protection and tax reduction to the masses. Mr. McOmber has conducted hundreds of seminars over the course of his career, and is responsible for helping numerous people protect their assets, and reduce their tax liabilities. Sponsored by Fortune Firm.

BOBBY BIRDI, DMD, MS

Dr. Birdi received his dental degree from the University of Saskatchewan and his post-graduate specialty training in both periodontics and prosthodontics from the University of Minnesota. He is a Fellow and previous Examiner for the Royal College of Dentists of Canada and a Diplomate of both the American Board of Periodontology and the American Board of Prosthodontics. Dr. Birdi is one of the very few board-certified dual specialists in periodontics and prosthodontics in North America, and the first and only specialist in the world to attain board certification in these two specialties in both the USA and Canada. Dr. Birdi is the co-founder of the Digital Dentistry Institute which is a global learning organization for his fellow dentists, and one of the largest dental educational organizations in North America. He is also founder of the BC Perio Dental Health & Implant Centres in Vancouver which is one of the largest and most technologically advanced multi-specialty dental centers in Canada. Sponsored by Nobel BioCare.
