BS Physiology

CLINICAL EXPERIENCE

2017-present

Tangerine Dental Group (Pacific Dental Services supported office)

2017-2018

Temp dental hygiene for a few private offices

After working for a few years in both corporate and private dental practice settings, I learned educating others about prevention is what I am most excited about as an oral health professional. I have also come to appreciate the importance of advocacy while attending AzDHA Capitol Day. I would bring this same enthusiasm with me if I were to serve as an ADHA delegate.

VOLUNTEERISM/RECOGNITIONS
